Windows. Click the network symbol on the task bar to bring up available networks. Select *eduroam*, then click "Connect."
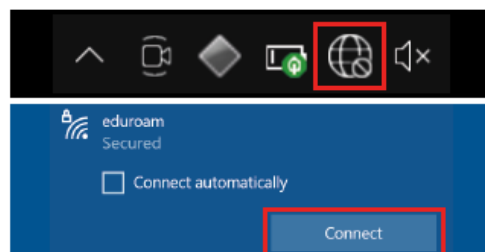

Enter your UWinnipeg email and WebAdvisor password.

If prompted with "Continue connecting?", click "Connect" again.

MacOS. Locate the Wi-Fi icon on the menu bar and click it.

Select the *eduroam* network. (If you don't see it, click "Other Networks" to display nearby networks.)

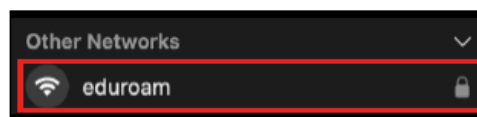

Enter your UWinnipeg email and WebAdvisor password and click "OK."

You can use your UW login details to connect to the Wi-Fi at any institution which also uses *eduroam*, including the University of Manitoba, the Université de Saint-Boniface, and Red River College Polytechnic.

You can also connect to *eduroam* using the app. For instructions, see the Technology Solutions Centre website at https://www.uwinnipeg.ca/tech-sector/how-do-i/how-do-i-connect-to-wi-fi.html.
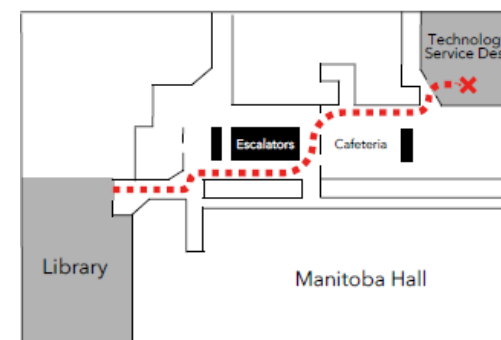

If you have trouble connecting, see the Technology Service Desk in room 4C32B on the 4th floor of Centennial Hall.
